GET HOOKED ON A GOOD BOOK THIS SUMMER

SORA Sweet Reads & MyON Summer Reading

WHY IS SUMMER READING IMPORTANT?

Prevent the summer slide

Students who don't read during the summer can lose up to two months of learning by the time they return to school in the fall.

Parents can help fight the summer slide. Encouraging your child to read every day can help to maintain reading skills and interest.

The SORA Sweet Reads program is now active! This program provides simultaneous user access to a collection of books from now until the end of August.
