4. Old Business:

-Breakfast of Good Cheer – Best one we've done, community involvement, 400 pancakes. Made them early at the pancake house, did 4 seatings. Students enjoyed presentation outside, more notice of specific presentations and expectations would make it easier. Thank you cards to go out to participants of the event

Need more cutting boards & pizza cutters

Some kids wanted a second pancake but not sure what to do, will discuss for next year.

-Crystal Palace Singing – about 80 students, Dec 16, 1-6

Bowl for Kids – Big Brothers & Big Sisters Fundraiser – Staff on the Team, there's a link, will paste into , looking for donations. [6:51 PM] Dean, Cara

-Holiday Shoppe - raised \$2600 for "The Table"

Helpful for students to come with a list of who they want to shop for, parent support was great

Things for teenage boys and dads could be sent as a reminder earlier. Remind the kids to not shop for herself. Wrapping is always an issue. Paper bags are great, some of the gifts are fragile so need tissue paper or bubble atwrap, small boxes, encouraging them to bring their own bags was good,

-Dance a Thon – Ballots for music request are starting to come in, fundraiser papers went home last week, glow in the dark bracelet or necklaces, need someone to sort proper number of bracelets for each class before Friday. Decorating Thursday evening

5. New Business – Meeting with Little Forest Kingston on Thursday- more info for next meeting
